

Sponsorship Proposal

Moscow - May 15-16, 2014 Kyiv - December 6-7, 2014

Conference for online, mobile and social game developers and publishers

- hours of communication between representatives of game industry from different countries and specializations
- 80% high-grade technical lectures and 20% marketing lectures
- professionals-only conference (there are no student passes available)

The conference is meant for:

- · professional developers
- individual developers and freelancers
- · artists and animators
- producers and project managers
- representatives of game portals
- publishers
- · potential investors
- and other game industry professionals!

DevGAMM previosly known as **Flash GAMM**

2008 - 2013

2013 - now

When and where

The conference takes place twice a year: in Kyiv (December) and Moscow (May).

May 15-16, 2014 (Thursday-Friday)

Moscow, Radisson Blu Slavyanskaya

1000-1500 professionals

December 6-7, 2014 (Saturday-Sunday)

😚 Kyiv, Rus Hotel

1000-1500 professionals

How it will be

The conference connects the representatives of the leading social, mobile and flash games developing and publishing companies, small studios and independent developers.

Events:

lectures and blitz-sessions

round table discussions

business meetings

game lynch

🔑 speed game dating

games contest

📆 after party

Main topics:

pame development (flash, social, iPhone/iPad, Android, 3D, HTML5, Unity)

game design (ideas, level design, experiments)

🔐 art and animation (stylistics, special effects, character animation)

monetization (monetization methods, in-game advertising)

management (managing development teams, projects, etc.)

publishing (social networks, mobile markets, etc.) and many others...

Both 1 day and 2 days events will feature more then 30 sessions!

Games Contest Award Ceremony closes the event.
